

2024 Banking Information

The AMFA is thrilled to announce our partnership with Envision Financial for all our banking needs during the 2024 season. To initiate the process of opening a bank account, please send an email to treasurer@amfa.ca with the required information outlined below:

To Open a Bank Account, Please Include:

- Team Name and Coach's Name (e.g., Abbotsford Outlaws 2010B Coach James)
- List the two individuals who will have signing authority. Ensure that both individuals are cc'd on the email so they can be contacted for signing. (e.g., Signers: Joe Smith and Jane Doe)

Please note that writing cheques will require signatures of both authorized individuals.

Sending e-transfers will require one person to initiate the transfer and the other person to log in to online banking and approve it. Both steps must be completed for the transfer to be processed successfully.

To Make Amendments to a Bank Account, Please Include:

- Team Name and Coach's Name (e.g., Abbotsford Outlaws 2010B Coach James)
- Specify the requested amendment (e.g., Remove Joe S as a signer from the account, add Sara Doe as a signer to the account). Ensure that the signers to be added or removed are cc'd on the email request

It is important to note that each team is responsible for managing their own budget, planning, and the operation of their respective accounts.

Should you have any further inquiries or require assistance, please do not hesitate to contact Nikki Dyck, Treasurer at treasurer@amfa.ca
